About Us

Octahacks 2.0 is an annual hackathon event conducted by Developer Student Clubs (DSC). Octahacks is a 30 hours hackathon where students will be building innovative solutions to solve real world problems. It will help students at National scale to experience working in teams and improve their coding skills altogether. Participants will be building their prototype in the event and will have to pitch and showcase their project at the end of the hackathon, which will then be evaluated by a panel of Judges to declare the top 3 teams. Hackathon is scheduled on **20 and 21 September 2019**.

"It doesn't matter if someone is still making their first hack or their 100th one. There are a lot of things to learn."

Only Constraint is Time

Glimpses of Octahacks 2018

Octahacks 2018 was successfully held on 14-15th April 2018 at Chitkara University, Chandigarh. It featured great coding brains from across India and provided them a platform to come and showcase their skills by building solutions to challenging problems in a limited time frame. The competitive aura of Octahacks was such that even newbies return home learning new things. Along with all the fun, Winners were awarded prizes worth ₹ 2,00,000.

2018 Glimpse

Sponsorship Modes

There are various modes in which sponsorship can be offered

- » Sponsorship can be offered in the form of monetary support.
- » Sponsor meals/beverages – we will be serving a total of four meals and snacks over the entire course of our 30-hours hackathon.
- » The sponsorship can be provided by making hardware devices available to participants during the challenge or by providing the problem statements for the hackathon.
- » Send professionals to mentor and inspire students, who can also help us to judge the event.
- » The sponsorship can also be offered in the form of rewards, or goodies for winners or best performers.

Perks Offered for Sponsors

- » Complimentary exhibit booth.
- » Prominent display of logo on all printed material, backdrop and website.
- » Permission to keep company brochure in registration kit.
- » Logo Display in Brochure.
- » 5-minute presentation slots.
